

**FOR IMMEDIATE RELEASE**

**ASSISTED VACATIONS NOW AVAILABLE ONLINE**

Arcadia is excited to present [Assisted Vacations](#) in partnership with CruiseOne, the nation's largest cruise travel retailer. Arcadia can now help you design the perfect vacation for you and your loved one in need of supportive care. CruiseOne offers travel packages with major cruise lines tailored with the support of Arcadia's caregivers throughout your vacation experience.

[Please visit our new page](#) which will showcase our latest offers and archive information from our participating cruise lines. But our options aren't limited there, click through to CruiseOne's [Arcadia portal](#) and learn of all the possibilities.

Arcadia's Caregivers will accompany your loved one offering companionship as they tour some of the most beautiful and most exclusive cities in the world. Arcadia will tend to your loved one, monitor medication and ensure a healthy diet, as well as assist with personal care. Arcadia can offer any level of care from simple assistance getting ready for the day's activities, continuous companionship, and preparing to retire for the evening to nursing care and vital sign monitoring. Arcadia and CruiseOne recognize that your loved one deserves the best, most dignified and compassionate service. Our professional caregivers will remain discreet so your loved one's experience is both comfortable and dignified.

CruiseOne has designed travel programs tailored to accommodate your loved one's interests and capabilities, including access to special needs equipment, as well as programs that will be enjoyable for the entire family. You can travel with a frail family member and rest assured an Arcadia caregiver is with them, allowing everyone the freedom to experience each location to whatever degree they desire.
